LOCAL MARCH OF DIMES

The Mothers March for the March of Dimes was conducted last week. If you were not at home when a canvasser called and would still care to give won't you please call OX. 5-9175.

Many thanks to all the mothers who helped. Also our appreciation to all who contributed so generously.

My sincere thanks to the Zion Luther League for another successful Spaghetti dinner. They hope to profit \$100 for the March of Dimes. A wonderful job by wonderful young people...

Joyce Harvie,
Chairman

SCOUTS HOLD PARENTS NITE

Last week troop 136 held its parents nite with a very large crowd attending. Potluck Supper was served. Musical entertainment was provided by the scouts, who have in their ranks

many musically inclined boys. A hospital operating-Room skit was presented in silhouette, with Dr. Dan (Kilcase) Timmons performing the surgery, who unfortunately lost his patient.

New ranks were awarded to the following boys: Second Class, David Cooper, Reed Leaman and Mike Wardin. First Class, Pat George and Dan Timmons. Merit badges were awarded to Dave Campbell, Terry Maxwell and Jim Story. The Top Patrol of the troop for the year was the Beaver Patrol, and each boy was presented with a gift award.... Boy Scout Summer Camp Meeting:

Parents of scouts and those boys who plan to join the troop before June, and their parents are asked to attend the meeting of February 12th (Tuesday) at 7:00 p.m. at the Community Hall to register for the summer camp. Films of last years summer camp will be shown and information concerning

the coming camp this summer will be discussed.

Couple Visit Gardens

Mr. and Mrs. Leo V. Hancock, enjoyed a visit to Sarasota (Florida) Jungle Gardens during their recent vacation on Florida's lower west coast. The visitors mingled with flamingos and other rare wildfowl from every continent roaming freely in these world-famous Gardens. Other points of interest in Jungle Gardens were hundreds of unusually colorful tropical plantings, huge royal palms bordering jungle trails, and brilliant macaws and cockatoos which pose with visitors for pictures.

FREELAND POST OFFICE TO MOVE LOCATION

The Freeland U.S.
 Post Office will leave
 its present building
 and move into the Free-
 land Community Hall
 around the first part
 of March to operate
 from there temporarily.
 This move is necessi-
 tated by the fact that
 the Freeland State Bank
 requires the present
 post office space for
 their expansion program.

"A WONDERFUL TOWN"

.....As described by Maurice van Benschoten, attorney, who recently opened a law office in the Paxson Oil Building here in Freeland. He is one of three brothers, all attorneys, practicing in Saginaw. Many of his clients live in the Tri-City area and for their convenience choose our town for his office because of the ideal location. He commented that "Friendly Freeland, without a doubt does live up to its name....as a guest of the Lions Club one meeting, they made me feel as if I've known the people for years." Mr. van Benschoten, 48, has been in practice for twenty years. He and his wife reside on Linton Street in Saginaw. His secretary in the Freeland office is Mrs. Lucille Maxwell.

Let's Have a Laugh!

The psychiatrist questioned the little old lady as to why her family wished to have her put away.

"Why doctor," she said, "it's just that, well, it's just that I'm fond of pancakes."

"Is that all?" he said. "Why, I'm very fond of pancakes myself."

"Really?" she said, clasping her hands together with joy. "Then you must come over to our house. I've got trunks and trunks full of them!"

Mrs. Firey was born with a temper of gunpowder.

"Tell me dear," said her husband, after one of her outbursts, "how it was I never discovered this unhappy weakness of yours during our courtship days? However did you restrain yourself?"

"Well," replied his wife, "I used to go upstairs and bite pieces out of the top of the oak dressing table."
